

AISHA HASSAN ALSUMAIM

Captain | Inmates Welfare Officer & Rehabilitation Program Lead

+973 3622 8228 | aisha.alsumaim@gmail.com | House 1600, Road 6422, Block 964, Khalefa Town, Kingdom of Bahrain

EXECUTIVE PROFILE

Public sector leader with over a decade of experience spanning education technology, criminal justice, and inmate welfare within Bahrain's government sector. Currently serving as an Inmates Welfare Officer (Captain), leading rehabilitation programmes, multidisciplinary teams, and cross-sector partnerships that support evidence-based rehabilitation and social reintegration. Holds a Master of Laws (LL.M.) with Distinction in Human Rights and Justice, combining legal expertise with operational leadership to drive innovative public service initiatives, strengthen institutional performance, and deliver positive social impact.

| ■ Time Management & Working Under Pressure | ■ Collaborative Team Player |

PROFESSIONAL EXPERIENCE

Inmates Welfare Officer (Captain)

2016 – Present

Reform, Rehabilitation & Pretrial Detention Centre for Women, Ministry of Interior, Bahrain

- Oversee the psychological, social, and rehabilitative wellbeing of female inmates, serving as the centre's principal liaison for welfare programming and inter-agency coordination.
- Conceived, coordinated, and led the Psychological & Social Support Program for Female Inmates in strategic partnership with the Royal Charity Organisation for Humanitarian Works — initiating coordination in 2024 and launching full implementation in November 2025.
- Directed weekly in-centre counselling sessions delivered jointly with the Head of Family Counselling at the Royal Charity Organisation, structured around self-acceptance, social insight, stress management, behavioural change, family support, and future planning.
- Selected and managed a cohort of 20 inmates for structured group and individual sessions based on individualised psychological and social needs assessments, and extended continuity of care to 2 cases following release.
- Organised complementary wellbeing activities — fitness sessions, workshops, and interactive engagement programmes — and delegated supervised responsibilities to participants to build accountability and life skills.
- Achieved and sustained a session attendance rate above 80%, contributing to measurable improvements in participants' psychological wellbeing, self-confidence, and family relationships.
- Authored programme recommendations to extend aftercare services in partnership with the Royal Charity Organisation's "Ma'akum" initiative, supporting sustainable reintegration and reduced recidivism for released inmates.

Technical Specialist

Oct 2011 – Nov 2016

Ministry of Education, Bahrain

- Served as Administrative Supervisor in a secondary school before being promoted into the Technology and Information Systems department.
- Developed and delivered technology-enabled educational content, supporting Bahrain's national digital transformation agenda in education.

KEY ACHIEVEMENTS

- Led the launch of the Psychological & Social Support Programme for Female Inmates.
- Established cross-sector partnerships with national humanitarian organizations.
- Developed recommendations for structured post-release aftercare services.
- Led multidisciplinary teams across inmate welfare, healthcare, and rehabilitation programmes.
